Youth Break the Boundaries (YBB) officially announces that registration for the Middle East Youth Summit (MEYS) 2026 is now open. The program will be held on March 30 – April 2, 2026, in Makkah, Saudi Arabia, carrying the theme “Global Muslim Youth Collaboration for Sustainable Development.”

As one of YBB’s major international summits, MEYS brings together Muslim youth from across the world to collaborate, innovate, and develop solutions that strengthen the global ummah. This year’s summit continues the spirit of #TogetherforUmmah while integrating Islamic values with the Sustainable Development Goals (SDGs).

The Middle East Youth Summit (MEYS) is designed to empower Muslim youth through an international Islamic symposium, leadership development, cultural exchange, and spiritual activities including performing Umrah.

Participants will work in multicultural teams to develop social impact projects aligned with SDG 4 (Quality Education), SDG 5 (Gender Equality), SDG 10 (Reduced Inequalities), SDG 16 (Peace, Justice, and Strong Institutions), and SDG 17 (Partnerships for the Goals).

Through mentorship, collaborative teamwork, panel discussions with experts, and project presentations, MEYS encourages young leaders to contribute meaningfully to the development of their communities.

The program also recognizes outstanding delegates with awards highlighting innovation, teamwork, and leadership. MEYS is not only a summit but a transformative experience that strengthens global Muslim youth collaboration while building strong academic and professional portfolios.
